

ST GEORGE'S
CATHOLIC PRIMARY SCHOOL

Friday 12th September 2025

Dear Parents and Carers,

Welcome to the start of our new school year. A special welcome to all our new pupils and families who have joined our school family for the first time. It has been wonderful to see our children and families back in school. Children have settled into their new year groups very well. Everyone has started the year looking really smart - I hope this continues.

On Wednesday, in assembly, I spoke to the children about what makes us a community at St George's. We focused on the "Care" part of our Mission Statement and talked about unity, supporting each other, putting others first and working as a team both in class and across the whole school. We talked about looking for opportunities to serve others and show care and kindness because this is the model that Jesus gives us. We watched a video that showed how all of us can perform small acts of kindness that mean a lot.

Thank you to all the parents who were able to come to our Meet the Teacher sessions last week to find out more about children's new classes.

In our parent survey at the end of July, some parents asked us to improve how we share what the children are learning in each year group.

I have asked all teachers to make sure that our website has lots of information about children's learning and for teachers to send you a letter with hyperlinks to the class pages on our website. Please ask us if you would like further information.

Kind regards,

Miss Cairns

Principal
